

KW clinic information:

The purpose of this clinic is to provide instruction and feedback for the new 2023 USDF Dressage tests, Training through Fourth level. This is not a clinic to improve overall rider and horse performance, but to educate riders and auditors on successful performance moving into the new competition year with these specific tests. This is why the criteria to ride is so specific.

Instructions to apply as a rider:

Please complete the application online. Only electronic applications will be considered. Once your minimum score of 63% is verified, you will be asked to provide a video of you and the horse either competing at the level specified, or a video of you competently schooling in the walk, trot, and canter, and any applicable movements of the level you wish to ride. Your video will then be viewed by Kristi and the application review committee.
